# SSTS TOURNAMENT RULES

1. USBS rules will govern all bowlers, and you must be a current USBC member to participate. This tournament is not a USBC sanctioned event.
2. Age requirement: Participants must be no older than 18 or currently attending high school.
3. Entries submitted ONLINE will be accepted before all others. Online entries must be in at least 18 hours before each series event.
4. Cost per event is \$25. A \$5 late fee will apply for late or day of entries. Cash or checks only, please. There is a ATM machine on site. Please make checks payable to SuperPlay.
5. Prize fund is \$2,500 and will be paid out over all five divisions, proportionate to the entries. 1 out of 3 bowlers will win scholarship money. If 4 or under entries are bowled in any division than the winner of that division will receive \$150. All prizes will be decided by the tournament director.
6. This year, two SSTS (handicap) tournaments will be combined with OJC (scratch), September and December. Participants are able to compete in one or both by paying the appropriate entry fee(s). The scores for the six games bowled will be applied to one or both tournaments. SSTS bowls 6 games with handicap, and OJC bowls a 6 game qualifier with stepladder finish.
7. Your average will be the highest of the following: 1) last season's SSTS tournament average for the player's last 12 games, 2) highest USBC book average for the last two years. 3) Your current league average for 21 games. Please bring a current league standing sheet. 4) If you have no average, as stated (1-3), then you will bowl with 220 for the first 12 games bowled in this tournament series. Disqualification may result from submitting an incorrect average. After 12 games in this tournament series, each player will have a tournament average which will be updated after each tournament. Handicap is based on 90% of 220.
8. Please write your scores clearly and correctly. All scores will be final after being verified by our tournament staff.
9. At the end of the tournament, all winners will be announced, and scholarship certificate sheets will be presented. All scholarship winning will be deposited to USBC Smart program.
